A Report on Blood Donation and Awareness Camp organised by NSS Unit, Namrup college in collaboration with Team Humanity, Assam on 09/09/2019

Human blood is an essential element of human life which has no substitute. So, the blood donation and awareness camps are organized to encourage the students as well as make the aware about the importance of blood donating because they will be the mentors of future.

The Namrup College NSS Unit organizes Blood Donation Camp in collaboration with Team Humanity, a NGO on 9th September 2019. NamrupTackwondo Club, many local inhabitant, our college students and CISF officials of BVFCL (Brahmaputra Valley Fertilizer Corporation Limited) also participate in this camp and donate blood voluntarily.

Many members of college fraternity donate blood voluntarily and try to make others aware of this matter. 60 units of blood were collected from 60 donors in this camp. This kind of healthy practice motivates the other students as well.
