**Institutional Distinctiveness**  
**Academic Year 2019- 2020**

To impart Quality Education is the vision of our Institution. Discipline is one of the pivotal factors in enhancing Quality Education among the students. It helps in achieving one's goals and instills in a child the virtues of time management and organizing capacity. It helps in molding student's character and intensifies their enthusiasm towards study and life as a whole. Keeping in mind the vision of the institution, Namrup College has given a great deal of importance to inculcate a strong sense of discipline among the students. It emphasizes on maintaining high attendance and proper uniform. Namrup College is a tobacco free zone and an Anti Tobacco Committee has been formed to keep a vigilant eye in this field. A written notice saying, "All tobacco containing products are totally banned inside the college campus-a fine of Rs. 1000 will be charged for the use of tobacco inside the college campus' is also hung at the main entrance. Anti Tobacco Drives are also conducted on a regular basis to restrict tobacco and discourage the use of it.

To train the young minds of the students to be discipline in every aspect of their lives is one of the primary concerns of our institution. Rules and regulations of the college is hung at entrance of the main building so that everyone can see them and can maintain discipline inside he college campus.

For a positive mental growth of the students, quotations on good behavior and habits are displayed in various spots such as the main entrance, library, canteen etc. Some of the quotations displayed are:

"Think clean and use dustbin."

"Beautiful minds are the source of creativity."

"Weakness of attitude becomes a weakness of character."

"Education is the most powerful weapon..."

The institution also encourages students to take part in sports, yoga and cultural activities so as to enhance their sense of discipline. We are proud to announce that students of our college has achieved the award for the 'Most Disciplined Group' in inter-college sports competition. So that today's students emerge as tomorrow's good citizens, the institution has made endless efforts. Students are encouraged to go for extension work under the banner of NSS, NCC and ACTC of the college. The NSS unit of the college also ensures in maintaining discipline or decorum of the programmes held in the institution. To set an example of the student the teaching and non-teaching staffs of the institution also follow the rules and regulations set up for the students.

The institution has left no stone unturned in trying to make the students imbibed good disciplinary habits. These habits once inculcated by the young minds will always remain for a lifetime. Quality Education does not only mean to cater to the academic side of the student but also to help in the all round development of the students. Discipline is one of the most important factors for this development. Thus, Namrup College is making endless and persistent efforts to train the students to be disciplined in all spheres of life.
