Today's world is full of competition and to survive in the competition we have to make ourselves efficient. One of the first steps in this regard is resume. The resume acts as a bridge between a candidate for a job and the prospective recruiter. So, its importance can never be underestimated. To make the first impression, it is imperative that the resume stands out from the crowd first. By keeping this in view we have decided to organize a power seminar in collaboration with ICT Academy for students on Resume Writing. The seminar began with the welcome address from Mr. Bimal Ch. Gogoi, Principal i/c, Namrup College and inaugurated by Narendra Kumar N, Senior Manager, ICT Academy. During this seminar, two keynote speakers delivered their talk on the way of writing an effective resume. Both respected keynote speakers were introduced by Mr. Rupak Kr. Borgohain, Coordinator, IQAC, Namrup College. The first keynote speaker was **Unnikrishnan Rajappan**, Head, Human Resources, Astro-Vision Futuretech Pvt.Ltd and the second keynote speaker was **Arush Dhawan**, Business Head, OneBance Technologies Pvt.Ltd, Gurgaon, Haryana, India. Both respected resource persons explained the importance of resume and way of writing seminar in a very effective and interesting way. A total of 43 students from both science and arts have participated in the seminar and gave positive feedback on this seminar. The seminar was concluded by the vote of thanks from Mr. Rupak Kr. Borgohain, Coordinator, IQAC, Namrup College.
