Knowledge provide to the students from various sources is one of the important goals of all educational institution. Because it gives the power to achieve physical, mental and also spiritual strength to the students to conquer the difficulties faced by them in their life. The famous quotation of SWAMI VIVEKANANDA is –It is knowledge alone that will save us in every department of life –in knowledge is worship. The more we know the better for us. By following this great quotation, our college try to enhance the knowledge of students by organizing various speech programme on college establishment day, annual freshmen social function. In our establishment Day, college organizes Late Bbaba Knowar memorial speech. Late Bbaba Knowar was the founder principal of Namrup College. For this special programme, college invite university vice chancellor, register, dean , professor , well-known writers etc . Every guest speaker shares the common goal of inspiring student’s communities with their presentations, speeches and thoughtful words of advice. In annual freshmen social function, college invite special guest for giving speech to the fresher coming from different schools of our neighboring areas. Besides these, colleges also organize speech-programme by inviting well-known painters, film director, and spiritual persons. Padma shri, Jahnu Baruah inspired the students to work hard for achieving success in their life by giving lecture on film making to the students. Eminent Artist Mr. Noni Borpujari in his speech motivated the students to take painting seriously. From these speech programme organized by our college, students not only acquire knowledge but also asked question to the guest speaker. In this way, our college tries to create an environment for the students to take these well-known people of the society as a role model for their life.
