

REPORT ON INVITED TALK ON "TIME"

By EMINENT PHYSICIST DR. GAURANGA DHAR BARUAH

Organized by Physical Society, Physics Department in collaboration with the IQAC, Namrup College.

27/04/2022

Physical Society, Physics Dept. of Namrup College, in collaboration with IQAC, Namrup College organized an invited talk on a very popular topic viz. "TIME" on 27/04/2022. The talk was delivered by the eminent physicist and emeritus professor Dr. GaurangaDharBaruah. Prof. Baruah is popularly known as "Light House of N.E. India" for his excellent contributions in the field of Laser, Spectroscopy and Photonics over two and half decades in our country. The speaker, with his depth of knowledge on the subject and magical elocution could captivate the entire audience present in the lecture hall for an hour. During the interaction session, which followed the main talk, the enthusiastic students asked questions about big bang, black hole, alien etc., some of the teachers also took part in interaction. Our objective to arouse awareness for scientific temperament and to study Physics among students seemed to be successful from this lecture. Around hundred participants were present in the lecture.

We are thankful to the college authority for giving a helping hand to organize the talk. We are also thankful to the teachers for their cooperation during their working hours.
