

## Webinar on “Career Guidance and Counseling for Students Perspective Future”

Internal Quality Assurance Cell (IQAC) and Career Guidance & Counseling Cell (CGCC), Namrup College in collaboration with Library and Information Science Professionals Association (LISPA), Assam were organized Webinar on “Career Guidance and Counseling for Students Perspective Future” on 13<sup>th</sup> August 2020. In the event, Dr. Buljit Buragohain, Career Specialist and Principal, GIHM, Guwahati have delivered his speech through CiscoWebex web tool. He has delivered speech by covering the needs of students from higher secondary to post-graduate students.

In the webinar a total of 347 participants were registered from different school, college and university of Assam.

The webinar was started at 6.30 pm with a welcome speech of Rupak Kr. Borgohain, IQAC, Coordinator, Namrup College. The inaugural speech was delivered by Atul Gogoi, Principal i/c, Namrup College. Then the program was moved with a speech delivered by Dr. Buljit Buragohain by covering the needs of students career related all aspects for a successful life. Speech cum interaction session was quite effective, many participants were interacted with the Resource Person and they were benefited from it.

The webinar was moderated by Ashifa Sobhan, Associate Professor, Namrup College. After the interaction session, vote of thanks was delivered by Jayanta Sonowal, Organizing Secretary and Asst. Professor and Asst. Coordinator of IQAC. Suraj Gogoi, Coordinator of LISPA, technically helped in the program besides offering the CisCoWebex online platform.

The program was ended at 8.30 pm.

From the feedbacks received from the participants, it is reflected that webinar was quite helpful for the participants and many of them acknowledged that they have upgraded their knowledge from the technical session of the Resource Person. We also dispatched e-certificate to every active participant through Google free service. As an organizer, our team is quite happy to have such program during the adverse time we have faced because of COVID-19. This webinar was also added another important activity during the lockdown period.
