Greetings from NEOFELLAS PRIVATE LIMITED!

Hope you are doing well.

Without doubt, students are the future employees and leaders who will help the nation grow. To stand out as a promising asset in organizations, to make swift progress within a company and to be a leader in whatever field they choose as well as for the country, they will be given the soft skills training which will enhance their probability of securing a job which is the ultimate aim of any student studying there

Sir, we at NEOFELLAS, based in Dibrugarh district since 2021 are a group of Highly skilled team in the field of Personality Development and Soft Skills with more than 7 years of experience in imparting quality training. We provide soft skills and Life skills training in Schools and Colleges. We also provide high end education services and guidance, which will help a student to choose a right college according to their convenience.

This training will benefit the students immensely for we at NEOFELLAS believe that if a student can convey his skills and talents effectively through his communication during the interview his chances of securing a job increases by many times.

Looking forward for your kind response.

With best regards
 Meghali Gogoi
