Notice

This is to inform all girl students of HS and Degree classes, and boy students of Degree classes that those who intend to apply for the Mukhya Mantri Nijut Moina Asoni (MMNMA) and Mukhya Mantri Nijut Babu Asoni (MMNBA) schemes, as applicable, must ensure that their bank account and Aadhaar details are accurate, complete and up to date before the commencement of the application process.

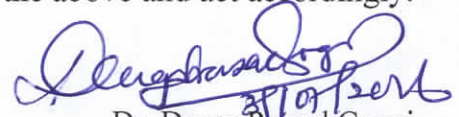

Students are requested to complete the following:

1. Ensure that they have an active bank account in their own name.
2. If they do not have a bank account, they should open one at the earliest.
3. Verify that their Aadhaar is linked with their bank account.
4. Ensure that their name, date of birth, and other personal details in the bank account and Aadhaar are correct and match the records.
5. Get any spelling mistakes, name mismatches, or other discrepancies corrected immediately.
6. Update their bank passbook and ensure that all account details are current and accurate.

Students are advised to complete the above formalities well in advance, as the scholarship amount under the MMNMA scheme will be credited only to the beneficiary's own bank account. Any discrepancy in bank or Aadhaar details may lead to delay or non-credit of the scholarship.

Note: The date of commencement of the application process for the above schemes will be notified separately. Students are therefore advised to complete all the above formalities well in advance.

All concerned students are requested to take note of the above and act accordingly.
